 Here was there again ... that's interesting. He's OSA at Saint Hill.  
 I wonder if Plymouth is going to closed.  
 You guys would be hailed as heroes if you get it shut down.  
 I was told yesterday that one of you protests every day! Much like Shawn Lonsdale and his cultwatch.

Plymouth (UK) Anonymous, Brave and Bold, show how to Bite-the-Biter.  
 I almost felt sorry for the Plymouth Org after seeing this video ... Aye ... that'll be right!

Pay attention to the Guy with a goatee inside the Plymouth C ... anyone present at the March 15 Protest in Manchester will be very familiar with this guy ... it's ... "Blue-Shirt Guy" ... a SAINT HILL OSA EXECUTIVE ... real name RUPERT PADY

Check out the link below for a Photograph of him at last month's Manchester Picket:

He's coming to a UK Org near you on June 14!

Hold on a moment, they made a copyright claim regarding the \_vetted\_ story?

Its called sarcasm. I did not want to give the CoS an excuse to pull the video due to copyright reasons (which they could have done, had I included the complete OTIII reading).

You guys really are awesome ... and the girl who thought Antony was a Maths teacher deserves extra cake ... it was priceless! Here in Manchester, we have also started to approach the Universities for support. I'm also going to upload a video specific to this in the next day or two.

Anyway - we were small in numbers due to Plymouth being a Uni town. Not everyone was back from the hols. We are going to make a concerted attempt raise numbers for the next protest, and we will severely flyer the Uni 2 weeks prior to the 10th May.  
  
Anyway - The Plymouth Anons love you guys :) \_vetted\_ Boogaloo was the icing on the cake for me!  
  
Keep on enturbulating and educating :)
