We fight for that one person.
 The one person that one person who has just had ENOUGH.
 The one persn that is ready to fight, to get out.
 We care for that person.
 And that person will be free.
 We are anonymous.
 We are legion.
 We do not forgive.
 We do not forget.

Shortly before Anon's protest permit for the Co\$ headquarter in Times Square expired during the Ides of March rally on March 15, 2008, a visibly upset Scientologist appeared behind the "Church's" prison bar-like windows and was apparently shedding tears.

Kind Anonymous invited the man to come across the street, offering assistance in helping him leave the organization, but he did not come out of the building.

Whether or not this man was aware of the dark underbelly of Scientology but incapable of leaving the "Church" or scared shitless over the fact that over two hundred declared SP's are gathered across the street from him (or both) is a mystery.

Stay tuned. More NYC videos coming soon.

Well then... I'd say you are entitled to such an opinion, but I hope, and Anon. hopes, that you research more into Anon. and form a rational, well-informed opinion based on facts, debate, and unbiased thought.

That's being spammed to multiple anon videos. How do you say 'Troll' in Italian? (The poster uses youtube's Italian-language site.)
